(Special to The Herald.)

Park City, May 17.—The Little Bell mine closed down today. The property adjoins that of the Quiney and Dally-west mines, and several of the stockholders in the two latter mines are also interested in the Little Bell. The reason given out today for the closing of the mine was that the miners were hampered by water. The management denied the romor that a strike was on at the place. From thirty-five to fifty men have been employed at the mine. It is under the general management of Solon Spiro.
